# Scientific Programme

- On-site registration starts at 8 am on Tuesday September 6.
- The scientific sessions are planned to start each day at 9 am. There will be 4 sessions a day of 90 minutes each.
- Presentations shall not exceed 30 minutes including discussions.
- Please limit the contribution to new results and techniques, avoid long introductions.
- Make sure to upload your presentation in pdf or ppt format preferably in the morning of the presentation day.
- First time we will also use an online system (TEAMS). A fixed top camera and a microphone in the meeting room allow to participate in the scientific sessions online. A meeting link will be provided to those who are not able to attend in person. Online presentations are possible.
- Two coffee breaks , one in the morning and one in the afternoon, of at least 45 minutes are planned to allow personal information exchange. Lunch is planned to last 90 minutes.
